

## **Investor Information Cautionary Statements Disclaimer**

The information contained in this website is for information purposes only and is not intended to constitute an offering of securities. Certain statements constitute forward-looking information under applicable securities law. Readers are cautioned that such information is expressly subject to *Pason's Forward Looking Statements Cautionary Disclaimer* (below).

Information contained or posted on this website was accurate at the time of posting, but may be updated, amended or superseded by subsequent disclosures, or may become outdated and inaccurate over time. Changes will be updated as soon as possible, but due to the timely nature of decisions regarding Pason Systems Inc. securities and the technical and security risks of the Internet, readers should not use the information set out on this website to make such decisions. Printed copies of documents are available from [Investor Relations](#).

## **Forward-Looking Statements Cautionary Disclaimer**

This website contains certain information regarding the Company that may constitute forward-looking information under applicable securities law. Forward-looking statements on this website are used to provide Pason Systems Inc. shareholders and potential investors with information regarding Pason Systems Inc., including management's assessment of its future financial and operational plans and outlook. The words "anticipate", "expect", "believe", "may", "should", "will", "estimate", "project", "outlook", "forecast" or other similar words are used to identify such forward-looking information and statements. Disclosure related to expected revenue rates, equipment utilization or operating activity levels, operating costs, capital expenditures and other guidance provided throughout this website constitutes forward-looking statements. These forward-looking statements were based upon various underlying factors and assumptions, including the state of the economy and the oil and gas exploration and production business, in particular; the Company's business prospects and opportunities; and estimates of the financial and operational performance of Pason and are not guarantees of future performance.

Forward-looking information and statements are subject to known or unknown risks and uncertainties that may cause actual results to differ materially from those anticipated or implied in the forward-looking information and statements. Risk factors that could cause actual results or events to differ materially from current expectations include, among others, the ability of Pason to successfully implement its strategic initiatives and whether such strategic initiatives will yield the expected benefits, the operating performance of Pason's assets and businesses, the price of energy commodities, competitive factors in the energy industry, changes in laws and regulations affecting Pason's businesses, technological developments, and general economic conditions. Unpredictable or unknown factors not discussed in this Cautionary Disclaimer could also have material adverse effects on forward-looking statements.

Readers are cautioned not to place undue reliance on forward-looking statements as there can be no assurance that the plans, intentions or expectations upon which they are placed will

occur. Such forward-looking statements, although considered reasonable by management as of the date hereof, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this website are expressly qualified by this cautionary statement. Furthermore, any forward-looking statements contained in this website are accurate only as of the date such statements were made or as of the date of the report or document in which they are contained or posted to this website, and Pason does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by securities law.

Additional information on risks and uncertainties and other factors that could affect Pason's operations or financial results are included in Pason's reports on file with the Canadian securities regulatory authorities and may be accessed through the SEDAR website ([www.sedar.com](http://www.sedar.com)).
