

PASON TERMS & CONDITIONS

PLEASE READ THE FOLLOWING CAREFULLY

THESE TERMS & CONDITIONS CONTAIN LIMITATIONS OF LIABILITY AND INDEMNITIES

These terms & conditions are the terms upon which Pason (“**Pason**”, “**we**”, “**our**”, or “**us**”) is prepared to provide Services to you, as the company or other entity ordering Services from Pason by approving charges through PBS, the Pason Store or via email; by entering into a written (pricing) agreement with Pason; by accepting a Pason quote; or, upon Pason’s issuance of a field ticket (each such form of order being referred to as a “**Work Order**”). Inclusion of 3rd Party Services on PBS does not mean, unless expressly stated otherwise, that Pason has conducted independent due diligence or investigation into 3rd

Party Services for specific performance levels or otherwise. Your use of 3rd Party Services may be governed by separate terms and conditions with such 3rd Parties, but in any event, are not Pason's responsibilities.

b. If any 3rd Parties require Drilling Data or derivatives thereof in order to perform 3rd Party Services, Pason will make such information available to 3rd Parties, provided you have approved such 3rd Party Services in a Work Order.

a. **Pricing.** Unless otherwise agreed to in writing by Pason and the Customer, whether in a Work Order or otherwise, the Fees charged for the Services provided by Pason shall be billed at the rates/prices identified in Pason's price list then in effect; and, to avoid any uncertainty, the Fees charged for any Service with a daily rental rate shall be calculated based upon the total number of days (regardless of whether the Services were utilized for the full 24-hour day or any portion thereof) in the Rental Period. Pason may increase any of the prices set out on the price list from time to time during the Rental Period, however, notice of such increase(s) will be provided to Customer in advance.

b. **Payment.** Pason will invoice the Fees payable for Services at the end of each calendar month, after all of the Services for a particular Work Order, well, program or job have been completed or as otherwise agreed to by the Customer and Pason. You shall pay the Fees within thirty (30) days from the date of your receipt of the invoice, failing which you will also pay Pason: (i) interest at the lesser of fifteen (15%) percent per annum or the maximum amount allowed by law on any delinquent payment and on any other sum due under these Terms from the date when such payment was due until paid, and (ii) expenses of collection or suit to recover all amounts due and owing, including legal fees and expenses on a full indemnity basis.

You agree to pay all such Fees for additional Services which are approved by your representative(s).

d. **Fees, Assessments, and Taxes.** You shall pay all taxes, duties, tariffs or charges relating to our supply of the Services to you, other than income taxes on amounts we receive from you which are our responsibility. Our Fees do not include sales, use, goods and services or similar taxes, which taxes will be added to the Fees and identified separately on our invoice(s).

e. **Records.** We will maintain records verifying charges for the Services (other than 3rd Party Services for which we do not provide billing services) and allow you to audit those records for a period of two (2) years following the date such charges were incurred. In the event a discrepancy is discovered it will be corrected forthwith without interest. Your audit will be limited to the records necessary to verify the appropriateness of amounts invoiced for the Services provided and we will, and reserve the right to, exclude any proprietary and other confidential information from such records.

10. Safety. Pason and Customer will conduct their respective operations safely with all due diligence and in accordance with good oilfield practices. You acknowledge that any information transferred over the internet is at risk of interception or corruption and release us of any liability as a result of any such events.

b. As part of the Services, Pason may supply you with information collected from Pason's data acquisition systems, which may be wholly or in part based on third party information and/or user defined settings. While Pason will use diligence to ensure information it supplies to you is accurate, Pason provides its Hardware and data acquisition systems on a rental basis and our personnel do not remain at the rig-site to monitor such systems for accuracy or operating conditions. c. Pason may provide you with interpretations of Drilling Data or other information, and suggestions based on the same. You understand and acknowledge that such interpretations and/or suggestions (whether provided by our personnel from time to time or generated automatically through software algorithms) are mere opinions, based upon our judgment and experience. You understand and acknowledge that such interpretations and/or suggestions cannot and will not replace the active manual human skill and control required to: (1) operate drilling machinery; and (2) ensure that drilling operations are performed in a safe and efficient manner; if you choose to rely upon such interpretations and/or suggestions provided by us, you do so at your own risk. You also understand and acknowledge that in offering any such interpretations and/or suggestions, Pason makes no warranty whatsoever with respect to their accuracy or completeness, and we shall not be responsible for your or any member of the Company Group's use or reliance (or failure to use or rely) on such interpretations and/or suggestions.

d. PASON DOES NOT WARRANT OR GUARANTEE THE RESULTS OF OURSERVICES. OTHER THAN THOSE EXPRESSLY STATED IN THESE TERMS, PASON EXPRESSLY DISCLAIMS ALL OTHER REPRESENTATIONS, WARRANTIES, GUARANTEES AND CONDITIONS, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUIET ENJOYMENT, NON-INFRINGEMENT OR THOSE ARISING OUT OF A COURSE OF DEALING OR USAGE OF TRADE FOR THE SERVICES, INCLUDING, WITHOUT LIMIT, THE CONDITION OF THE HARDWARE, OR THAT IT WILL MEET THE REQUIREMENTS OF ANY LAWS, RULES, SPECIFICATIONS, OR CONTRACTS WHICH PROVIDE FOR SPECIFIC APPARATUS OR SPECIAL METHODS. OTHER THAN THOSE EXPRESSLY STATED IN THESE TERMS, PASON FURTHER DISCLAIMS ANY AND ALL LIABILITY WHATSOEVER FOR LOSSES, DAMAGES, OR INJURIES TO CUSTOMER GROUP OR THIRD PARTIES AS A RESULT OF ANY DEFECTS, LATENT OR OTHERWISE, IN THE SERVICES OR YOUR USE OR NON-USE OF THE SERVICES.

THIS EXCLUSION OF LIABILITY APPLIES WHETHER THE LIABILITY IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), LAW, EQUITY, STATUTE OR OTHERWISE.

- c. PASON SHALL NOT BE LIABLE FOR ANY 3RD-PARTY SERVICES IN ANY MANNER WHATSOEVER.
- d. OTHER THAN THE LIABILITIES UNDER SECTION 13, PASON'S LIABILITY, REGARDLESS OF HOW SUCH LIABILITY ARISES, IN CONNECTION WITH ITS SUPPLY OF SERVICES SHALL NEVER EXCEED THE FEES PAID OR PAYABLE BY CUSTOMER FOR THE SERVICES SPECIFICALLY GIVING RISE TO THAT LIABILITY. THIS LIMITATION OF LIABILITY APPLIES REGARDLESS OF WHETHER THE BASIS FOR THE CLAIM IS IN CONTRACT, TORT (NEGLIGENCE AND STRICT LIABILITY) LAW, EQUITY, STATUTE OR OTHERWISE.

However, no other provision of these Terms will be amended or affected thereby. f. Express Negligence Doctrine. THESE TERMS CONTAIN PROVISIONS REQUIRING ONE PARTY TO BE RESPONSIBLE FOR THE NEGLIGENCE, STRICT LIABILITY OR FAULT OF THE OTHER PARTY. YOU HEREBY ACKNOWLEDGE AND AGREE THAT THIS SECTION PROVIDES FAIR AND ADEQUATE NOTICE OF SUCH REQUIREMENTS.

14. Well Site Location and Access.

a. We will generally be supplying Services to your well site or other designated location. Our Services are designed to operate under conditions normally encountered at a well site. As permitted, our personnel will make a customary observation of the location to identify and familiarize themselves with any obvious and typical hazards. You agree to advise Pason Group personnel of any unusually hazardous or extraordinary conditions so they may take the necessary precautions and adjustments, and conduct further investigations as necessary. We are relying on your superior knowledge of the well site and your directions and requirements to safely perform the Services.

b. You will arrange and pay for the construction of and use of road and access ways, and the use of all modes of transportation for our personnel to access a well site that is inaccessible by normal roadways.

c. We have the right at any time to enter your well site or other premises occupied by the Hardware and you shall give us free access thereto and afford necessary facilities for the purpose of inspection or removal if such Hardware is not then being rented.

d. You shall give us immediate notice in the event that any of the Hardware is to have a levy placed upon it, or if any of the Hardware is about to become liable for, or is threatened with, seizure or attachment, and you shall indemnify us against all Claims caused by such action.

15. Remedies and Liens. All remedies contained in these Terms are cumulative, and may be exercised concurrently or separately.

a. If you discover or believe that Pason has failed to perform its Services set out in a Work Order in any material aspect, you must notify us immediately upon discovery, and in any event within forty-eight (48) hours of discovery, providing details of such failure. Our sole obligation and your exclusive remedy for claims of our non-performance of Services, defects or other breach of our warranty (but only in the event that the circumstances or reasons for such material non-performance were within our sole control) are expressly limited to, at our option: (i) repair or replacement of the rental Hardware, (ii) re-performance of such Services that we materially failed to perform, where possible, or (iii) refund or credit of an equitable portion of the Fees paid.

b. If you default in the payment of any Fees or other amounts owing under these Terms when due, or you default in the performance of any other covenant herein and such default continues for five (5) days after written notice from Pason, Pason has the right to exercise any one or more of the following remedies: (i) to sue for and recover all Fees, and other payments, then accrued or thereafter accruing, with respect to any and all of the Services; (ii) to take possession of any or all Hardware and other items provided hereunder, without demand, notice, or legal process, wherever they may be located, and you hereby waive any and all damages occasioned by such taking of possession; (iii) to suspend your access to the Pason DataHub and any Software; (iv) to terminate one or more Work Orders; and (v) to pursue any other remedy at law or in equity.

If Pason is exercising its right to termination under this Section 15, Pason may take possession of any or all of the Hardware and other items provided hereunder without demand, notice, or legal process, wherever same may be located.
- d. Pason shall be entitled to register a lien against Customer Group's interest in any parcel of land for which Services have been provided by Pason Group under these Terms to the extent that there are any amounts owing for Services in respect of that land.

16. Term and Termination.

- a. **Term.** Except as otherwise stated in a Work Order, these Terms may be terminated upon thirty (30) days written notice by either party. In the event of termination by Pason, Customer may elect to have Pason continue to provide any Services commenced prior to the effective date of such termination through to their completion, on these Terms. Pason reserves the right, in accordance with Section 15, to cease providing Services and terminate Customer's use of the Services at any time if Pason reasonably believes that you are in material violation of these Terms. Upon termination, you will cease all use of and access to the Services.
- b. **Effect of Termination.** If you wish to terminate any Services prior to any agreed-upon end date, then you must return the Hardware to Pason forthwith or provide Pason with sufficient notice for us to retrieve any rental Hardware (charges may apply for demobilization). You acknowledge that any termination of Services will not discharge you of any of your liabilities incurred prior to termination, including, without limit, your obligation to pay any Fees owed for Services performed prior to termination. All obligations which expressly or by their nature survive termination of these Terms will continue in full force and effect, including, without limit, the applicable provisions of Sections 4, 9, 11, 12, 13, 15, 17, 18 and 19.

17. Confidentiality

- a. Customer acknowledges that real-time and historical Drilling Data is displayed and is readily available from Pason's Hardware located at the rig-site. Customer further acknowledges that Pason has no control over who accesses the rig-site, and therefore, Customer agrees that Pason has no obligations of confidentiality regarding access to such Drilling Data.
- b. Provided an internet connection is available at the rig-site, Pason shall archive certain Drilling Data and certain other data provided by Customer in the Pason DataHub.
- c. Pason will implement and maintain strict safeguards designed to protect the confidentiality of the Drilling Data and other information archived in the Pason DataHub and any other information that you provide to us and clearly label or designate as confidential ("**Confidential Information**"); provided, however that Confidential Information does not include any information that is or enters into the public domain without our breach of the confidentiality obligations herein, is already known to or independently developed by Pason, or is disclosed to Pason by a third party who has the right to do so. Subject to Section 18.b, we will only use Confidential Information to perform Services and enable 3rd Party Services to be performed (if you have ordered such 3rd Party Services). If we receive a subpoena or other legal demand from a court or other proper legal authority requiring disclosure or release of Confidential Information relating to you, we will promptly notify you, unless prohibited by law. After notifying you we may comply with such subpoena or order within the directed timelines, subject to your challenging same.
- d. Notwithstanding any of the foregoing, Pason understands that certain other entities providing services to Customer Group ("**Service Companies**") may require access to the Drilling Data, whether through Pason's rig-site systems or remotely from the Pason DataHub, in order to effectively perform their operations. Accordingly, Customer and Pason each acknowledge and agree that such Service Companies may be allowed to connect to Pason's rig-site systems and may be provided with access to the Pason DataHub throughout the Rental Period. However, you or the well operator (as applicable) have the ability to restrict access to the rig-site, and to the Pason DataHub (upon providing instructions to us through the security settings within our Software), for any of the Services Companies at any and all times.

18. Intellectual Property.

- a. All right, title, and interest (including applicable patent rights) in and to the Software or Hardware, or any modifications or derivative works thereof (even if created by you), and any media on which the Software is provided, vest and remain with Pason and/or our licensors. You will maintain any proprietary notices which may be generated by the Software or affixed to the Hardware. All inventions, discoveries, improvements, software, copyright, know-how, trade secrets, trade-marks or other intellectual property in and to the Services (including the methods by which Pason collects, cleans, processes, validates, calculates, visualizes, interprets, reports and otherwise processes Drilling Data), whether or not protected by patent or copyright, created during or after delivery of the Services, are and will remain the sole and absolute property of Pason and/or its licensors.
- b. All right, title and interest in the Drilling Data will vest with the well operator effective upon the delivery to Customer or grant of access to Customer of such Drilling Data.
